Dollars for YOU

In Dairy Farming

Prices for cream and milk are away higher than ever before in the history of dairying in this country. Mrs. Cow turns more money into the Farmers' Fund than any other contributor.

YOU MAKE NO MISTAKE

By engaging in dairy farming; you take no such risk as that which attends upon the raising of wheat. Frost, rain, hail or drought have no power to kill the cow or to destroy her usefulness. A steady, sure producer of wealth is Mrs. Cow.

WHEN YOU CONSIDER THE COW

Consider her as such and cultivate the consideration to the point of highest production. It will pay you big profits.

General Regulations

1. No horse competing in any class properly admitted to the show ring shall leave such ring until all such prizes for the class shown are awarded.

2. The Directors in charge of the different classes of horses are empowered to grant a prize for any distinct breed of horses when exhibited and worthy of a prize, if the class is not provided for in this Prize List.

3. Exhibitors who may desire to take their horses from the grounds at night will be allowed to do so on depositing \$5 with the Directors in charge as a guarantee for the return of the animal next morning. If the horse is not returned by 9 o'clock next morning, the amount deposited will be forfeited.

4. Exhibitors residing in Edmonton and exhibiting horses are not required to keep their horses on the grounds during the entire time of Exhibition, but must take part in the parade in front of the Grandstand or when especially called upon to parade by the Directors. As the stable accommodation is limited the Exhibition Association does not guarantee to provide stalls for exhibitors resident in Edmonton.

Any exhibitor who fails to co-operative with the Fair management by not previously arranging for leaders for their animals to take part in the parade, or who does not comply promptly with the directions given by the Superintendent, will forfeit all or such portion of any prizes awarded to him as the management may set fit to withhold, and such other penalties imposed as the Board of Directors may elect.

7. Entries must be made on regular Livestock Entry Blanks, in all classes except Championship.

Percheron Society of America Specials for Year 1920

At the larger Canadian shows recognized by the Canadian Percheron Horse Breeders' Association, in 1920, the Percheron Society of America offers the following special premiums to be competed for by the exhibitors of this show.

247. Special ribbons will be awarded to the three American bred horses, either bred in the United States or in Canada that stand highest in their respective open classes, any age, both sexes.

Example:—If the first, third and fourth prize aged stallions in the open class are American bred, that is bred in the United States or Canada, and the second and third prize horses are imported from France, the three special ribbons given by the Percheron Society of America will go to the first, third and fourth prize stallions in the open class because they are American bred. The same arrangement applies to all the other classes where individual animals are shown except for Championships. Animals imported in dam from France are considered as imported animals.

248. Special ribbons will be awarded in the Championship classes and where the exhibitor is not the breeder of the animal that is awarded championship, either stallion or mare,, a special breeder's ribbon will be made up and sent to the breeder of that animal. In case the exhibitor of the champion animal either stallion or mare is the breeder of said animal, a sterling silver trophy will be awarded to said breeder-exhibitor, but only one such trophy will be awarded on one animal in one season regardless of how many fair championships said animal may win.

249. A full report of the awards in the Percheron classes will be published in the next Percheron Review. A copy of such annual Review is furnished to every member of the Percheron Society of America, to all agricultural colleges and newspapers and to new men interested in the purchase of Percherons. This official publication is of very great advertising value to every fair thus recognized and to all Percheron exhibitors participating in such shows.

Conditions.—All animals competing for above prizes must be recorded in the Canadian Percheron Horse Breeders' Association and exhibitors must have established their ownership to the satisfaction of the Canadian fair where exhibited. Unrecorded colts are not eligible to compete for these special prizes unless the exhibitor furnishes the Secretary of the Fair with the names and recorded number of sire and dam of each such colt, together with the foaling date, and unless the exhibitor files with the Canadian Percheron Horse Breeders' Association application to register such colts within ten days after the close of the Fair. All animals competing must be regularly entered on the books of the Secretary of the Fair when the horses are shown, and the correct name and number of each animal given. No trophies or special ribbons will be sent forward until this information is received in proper form by the Percheron Society of America in regular award books furnished by the Society, and names and numbers of animals found correct according to the records of the office of the Canadian Percheron Stud Book. When full information is received at the office of the Percheron Society, the ribbons and trophies will be properly made up and forwarded to the winners. Recognition by and special prizes of

the Percheron Society of America will not be granted to any fair that does not provide a separate classification for Percherons, to which horses of other breeds are not admitted. No fair may expect recognition by the Percheron Society the following year that does not, within ten days after the close of the fair, make a full report to the Percheron Society, these ribbons and trophies will be properly made up giving names and recorded numbers of all animals. Failure on the part of any fair to furnish this report in full promptly prevents the winnings of that show from being published in our annual Percheron Review. Exhibitors are urged to make certain that all of their animals are recorded and properly transferred on the records of the Canadian Percheron Stud Book before being shown; that the Secretary of the Fair is furnished with the names and registered numbers of the animals exhibited and that a correct record is made by the Secretary or his assistants of the Percheron winnings in the ring at the time the animals are shown.

MATCHLESS DALE 130811

Bred by Hon. Duncan Marshall, and when exhibited at the Chicago International, the Breeders' Gazette said:

"A more perfect specimen of the Shorthorn bull calf than 'Matchless Dale,' shown by Alberta's Minister of Agriculture, was never seen in this show yard. He combined ruggedness with quality, thickness with style, character with width, and defied the most carping critic to pick a flaw in his outline."

This is a bold assertion, no doubt, but we have the Suits here that will substantiate our claim. They are Suits that ordinarily should sell for much more, but they're marked on the lowest margin of profit in our clothing history. The range is so complete that no man will feel dissatisfied with the selection.

Plants only the purest seed of varieties of proven merit; by this method he is assured

QUANTITY AND QUALITY PRODUCTION

Our constant effort during the past nine years to supply the farmers of the West with the best native and imported seeds, has met with gratifying success, as evidenced by our increasing business.

MURRAY'S SEED

is known throughout the West as being "**Pure and Reliable.**" We are always in the market for pure Grass Seed and Seed Grain.

TIMOTHY SEED

This season has been particularly suitable for Timothy growing and we advise the Farmers to save this crop for Seed. Timothy, if properly handled, loses none of its feed value by being threshed, and the Seed is one of the most valuable field crops. We have had long experience in the Timothy Business, and we invite farmers to write us and we will gladly give them the benefit of our experience in cutting, curing and threshing the Seed.

CONCESSIONS AND PRIVILEGES

DEPARTMENT FIFTEEN

S. G. Steward, Superintendent

Address all communications to W. J. Stark, Manager, Box 216, Edmonton.

Regulations

The board of Directors and Superintendent of Concessions will use every precaution to guard against extortion in any form practiced upon the patrons of the Exhibition. Any extortion practiced by a concessionaire will cause the forfeiture of contract money paid, or expulsion from the grounds, or both, as the management or Superintendent may direct.

The Board of Directors authorizes the letting of only such privileges or concessions as are required to supply the necessary wants of the people or that may add to their comfort, convenience and pleasure; but under no circumstances will privileges of a questionable nature or of a demoralizing tendency be let or in any manner tolerated upon the grounds or in the buildings; nor will any privilege be permitted where the business is conducted in other than a legitimate manner.

They shall also keep displayed in plain view of the public their concession contract and number, which will be furnished by the superintendent.

All ground leases or space contracts, unless otherwise specified, will expire with the close of the Exhibition each year, and all temporary buildings, frames, booths, etc., must be removed prior to July 30th following; otherwise they will become the property of the Exhibition.

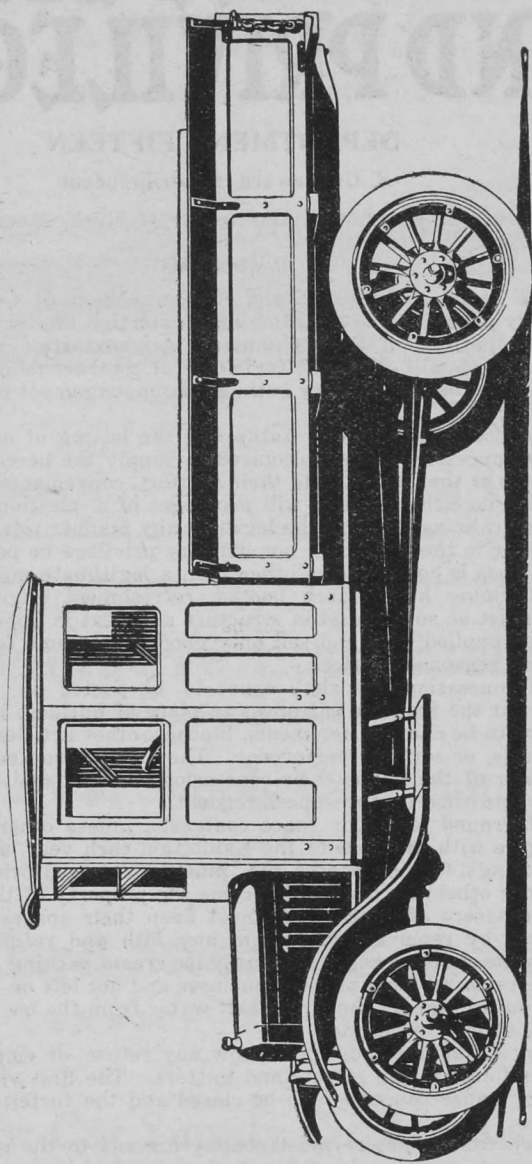

Purchasers of concessions must keep their spaces in a sanitary condition, by removing therefrom any filth and refuse, placing the same in the garbage can. All empty ice cream packing cases and cans must be removed from place of business and not left on walk or street, or in front of stand. Emptying salt water from the ice cream packing cases is strictly prohibited.

Concessionaires must not throw any refuse, or empty any water, or other fluids in the streets and gutters. The first violation of this rule may cause concession to be closed and the forfeiture of all fees paid.

Each concessionaire must confine himself to the space assigned. Failure to do so will subject him to forfeiture of his privilege, without reimbursement.

Those requiring telephone service at the grounds should make application at least four days previous to the time service is required.

The above charge \$9.50 covers the cost of either wall or desk telephone. It is suggested however that the wall type is more satisfactory due to its fixed position.

ATTRACTIONS AND SPECIAL FEATURES

DEPARTMENT SIXTEEN

Mme. Hewes and Her Ballet

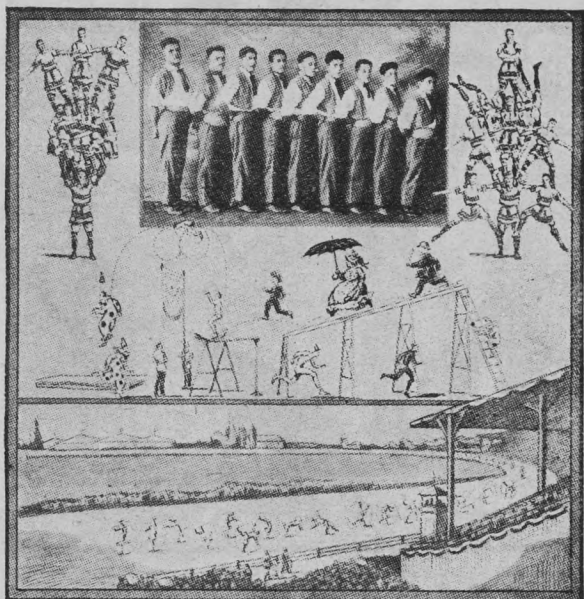

Is especially engaged to present an array of youth, beauty and alluring features at our Exposition this year. After careful selecting of the different classes of entertainments on our programme, it was decided that an educational feature for the benefit of the young ladies in our communities should be engaged. Mmme. Hewes and Her Ballet come to us after playing a very successful tour of the Larger Theatres and Grand Opera engagements throughout the United States. A more pretentious organization could not be engaged as we have every reason to feel that Mme. Hewes big feature known as the "May Pole Dance" will be an array of beautiful wardrobe, "Premier Dancers" accompanied by wonderful musical numbers that in its entirety will be a beautiful sight to the eye to behold. A special feature earlier in the number will be that of 8 beautiful girls presenting the "Swan Number." Other surprises with this organization will be announced later.

Ebenezer

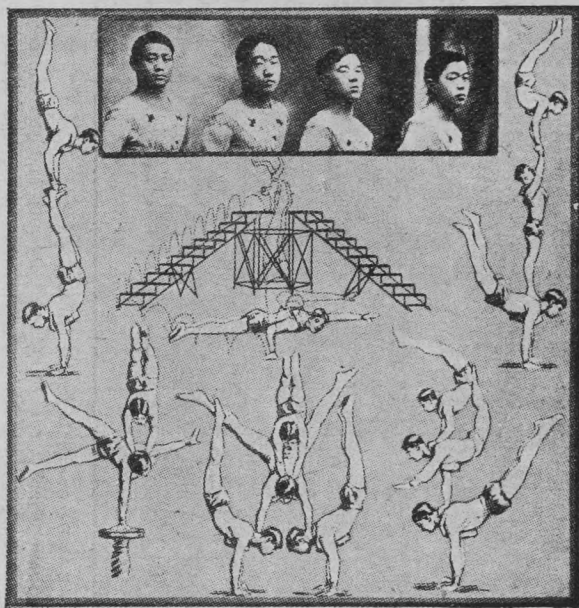

The "Ham Tree" Mule, is a war-scarred veteran with a discouraged countenance, and keeps the audience convulsed with laughter from the moment he makes his appearance until he gracefully acknowledges the salvos of applause at the end of his performance. He is the "Mule of Mules" and easily outclasses all other long eared rivals in his line. The kicks come thick and fast, and with every kick that he is at one moment the most balky, vicious and ungovernable there is a laugh. He has been trained to such a degree of perfection mule in existence, and the next moment, a most intelligent and docile animal, who actually laughs with the audience at his own upporious fun.

THE INTERNATIONAL NINE

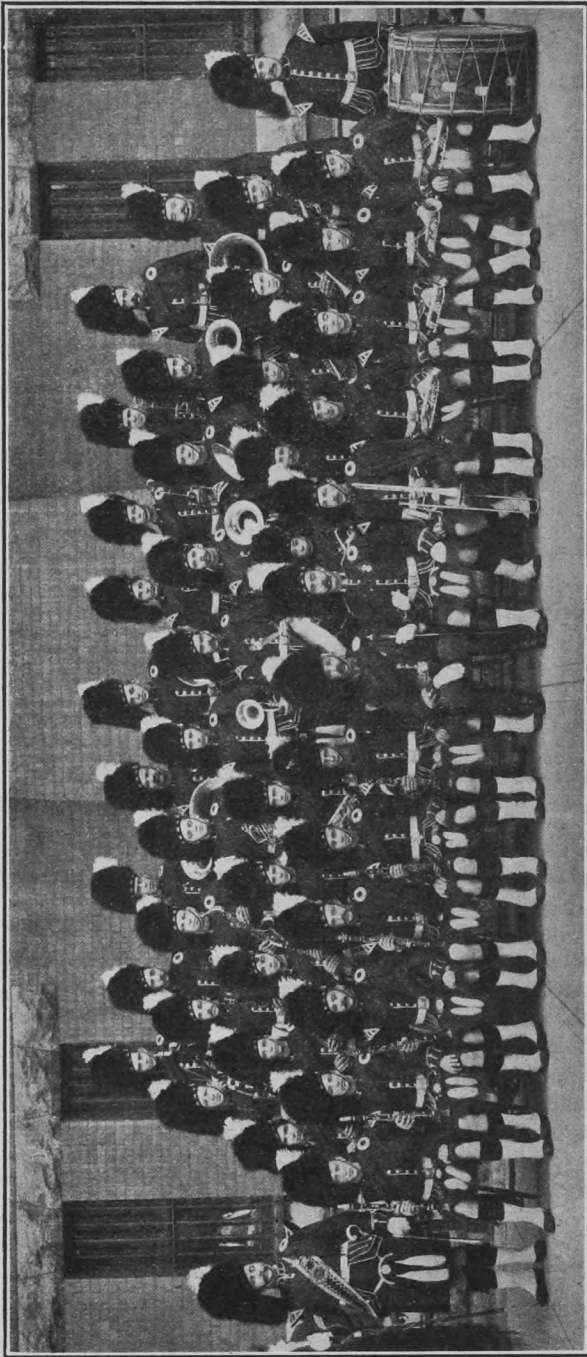

The International Nine

These whirlwind Sons of the Desert present themselves in a glaring riot of colors designed in their own home styles, and present numerous pyramids showing their strength and odd pictures of posing, afterwards leaving the platform and finishing their act on the race course with every known class of tumbling and acrobatic speed. Such features as 100 somersaults without touching their hands to the earth are exhibited by three members of the troupe, backward flips, cart wheels, forward tumbling and all other difficult features are introduced, with a lightness and grace that is remarkable.

The 4 Ishikawa Brothers

A quartette of Japanese Athletes and Gymnasts giving the greatest exhibition of balancing and equilibristic work that has ever been shown in this country. Japanese are admittedly the greatest balancers and acrobats in the world, and these four men are without a doubt the greatest of them all. Their act contains many sensational stunts which will draw gasps from the people. Their tricks are entirely different from those usually performed by other artists in this line. One feat in particular, that of walking up and down a flight of stairs balanced on one hand is a very remarkable exhibition of strength. This troupe do so many startling things so rapidly and their feats are so thrilling and sensational in character that they are indeed the marvels of the acrobatic world.

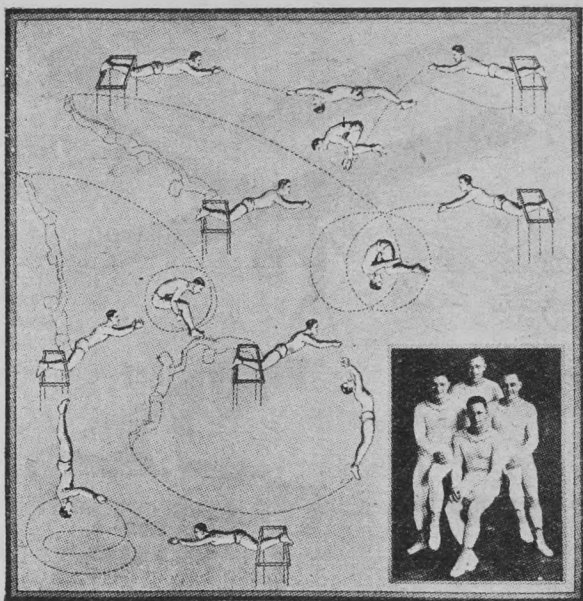

48th HIGHLANDERS BAND—Canada's Crack Military Band.

The only Scottish Regimental Band in Canada which has made a grand concert tour of Canada and the United States. Bandmaster Slatter, who organized this band in 1886, and still wields the baton, was the first band leader to successfully introduce a properly trained choir of male voices in his concerts. Another innovation much appreciated is the dancing of the bandmen in national and Scottish dances. A Scottish concert without the bagpipes would be very tame—and Pipe-Major Farquhar Beaton holds the championship gold medal of Canada, of the Great World's Fair at Chicago, of Edinburgh, Scotland, and is the first prize winner in both competitions at the Pan-American Exposition in Buffalo. Trombone soloists, vocal soloists, and other specialists in various lines will contribute to give a programme varied and pleasing to all.

Services in C.E.F.

Lieut. John Slatter was appointed director of music and officer in charge of all bands, buglers, drummers, at Camp Borden, Niagara Camp, Exhibition Camp, and trained over 2,000 bandsmen in 45 bands. Is now the senior militia bandmaster in Canada on active service.

The 4 Aerial Lloyds

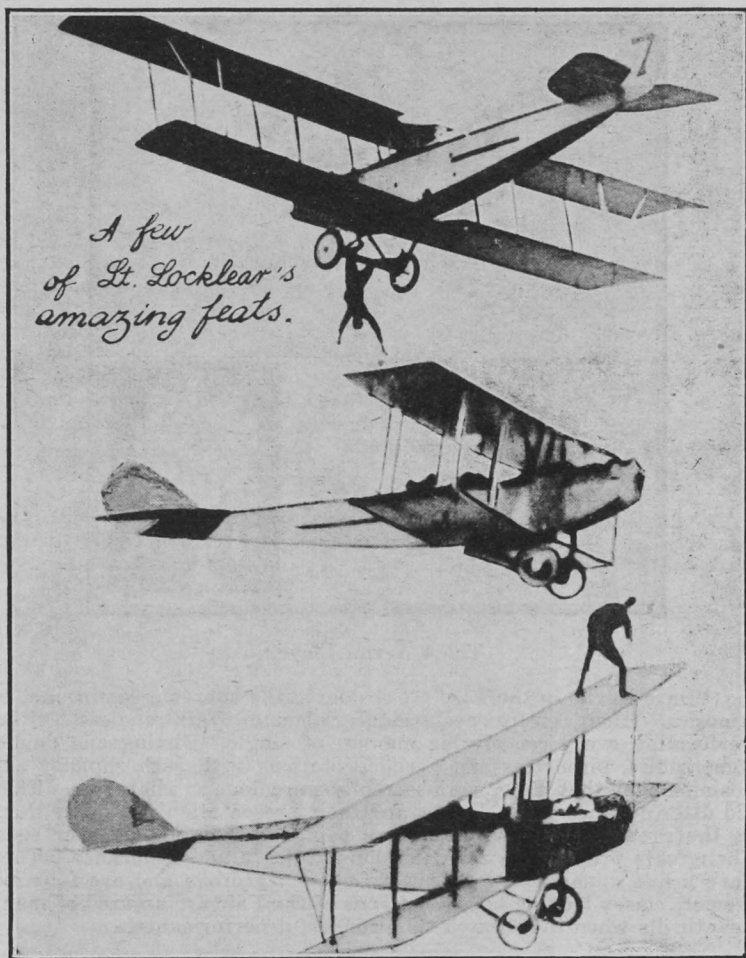

"Dare Devils in the Air." Considered the supreme casting act of America. Their entire performance abounds with endless thrills. Performing every conceivable manner of single, twisting and double somersaults, pirouettes and aerial evolutions with such rapidity and abandonment that their work is really mirculous in character. They bid utter defiance to all danger and their presentation proclaims them as the greatest jugglers of human beings the world has ever seen. Their feats present the zenith of human nerve and endurance. They have a fine apparatus, wear the finest of wardrobe and are four extremely classy looking boys. Patrons of the Fair are assured of many new thrills when they watch this wonderful performance.

AUTO POLO

Auto Polo will be played on the race track every grandstand performance.

J. J. Jones Shows

Coming back with new rides and attractions.

LIEUT. O. L. LOCKLEAR

In the most sensational aerial feats ever performed.

Lieut. Locklear is a gymnast who uses two aeroplanes for his platform, changing from one to the other in mid-air. He performs many breath-catching "stunts" such as balancing himself on the wing tips, swinging by his hands and feet, standing on his head, and doing many other stunts the most of us cannot do standing on solid earth.

AUTO RACES

This is the fourth time that automobile races have been held at the Edmonton Exhibition, under the direction of J. Alex. Sloan, of Chicago. Specially built cars are supplied by automobile manufacturers to demonstrate the strength and superiority of the various makes; expert drivers are placed in charge who thoroughly understand every whim and every part of their own particular car and know how to get the utmost speed out of it. Cash prizes are offered the competitors—and the races are “real” races—genuine speed contests. Only experienced drivers are allowed to compete in these races, which are conducted under I.A.C. rules.

HORSE RACES

Over \$9,700 is hung up for prizes and purses, and with the increased interest being taken in outdoor sports it is anticipated that our races will attract large crowds at the 1920 summer Exhibition.
